Cons Comm *from page 19*

tricia Moyer, and alternate Ed Spencer

Note: There was no December meeting due to weather conditions.

Correspondence

Copy of DES Shoreland Permit approval for 109 Maple Street

ASLPT Barclin conservation easement information folder

DES letter of deficiency for Bradley Lake private road work

DES "Reclassification of Dock" letter for West Shore Drive – Wetlands Permit required

Easements: Barclin (17.75 acres); Gross (100 acres); Hersey #2 fundraising – there is $7, 050 left to raise.

The enhanced federal tax incentive ended on December 31, 2009 and has not been extended into 2010.

Grants for SPNHF Quabbin to Cardigan initiative – In order to apply, it must be a specific proposed project in the Q2C high priority area. The grants will probably be awarded in June 2010.

Mary Anne will contact Susan Schnare to contact her relative for a potential interest of a conservation easement.

Beth McGuinn will keep in touch with possible conservation easements in the Bradley Lake area.

Sandra will check with town resident for a possible conservation easement.

NRI/Master Plan: Tina brought the five-page summary of the Natural Resource Inventory Chapter of the Master Plan. The MP NRI appendix is a summary of the larger NRI draft document. Tina will e-mail the 5-page summary to members.

Paul Currier wrote an article for the *Beacon* on the next steps for the Master Plan now that it is with the Planning Board. The Planning Board will hold public hearings prior to approving the updated Master Plan.

SRK Winter Hikes: Mary Anne recommended going on the various SRK winter hikes.

Bradley Lake: Larry Chase has arranged a Bradley Lake Loon presentation for June 27, 2010. The public and the Highland Lake Protective Association will be invited and the presentation will be specific to Andover.

Planning for 2010: Mary Anne will check with Brian Hotz with the SPNHF with regards to the GIS (Norwich) grant. The grant is not for money, but for the software.

Mary Anne will send Wilmot's grant application to Tina and Ed Spencer for their review.

Carry over to 2010: Documentation of conservation work with Laura Alexander who is updating the 2007 forest and agriculture definitions/maps. Members agreed to continue this as a goal.

Tree Warden – Mark Barselle, the arborist who helped with the tree planting, will do an assessment of the Maple Street trees. Members agreed to continue this as a goal.

Trash and illegal activity up at Mountain Brook Falls continues to be an issue.

Bradley Lake water testing. Mary Anne will talk with Alan McIntyre about having Proctor students doing the water testing.

Update documentation on Andover conservation easements and set up monitoring schedule for properties where Andover is the primary grantee of the easement.

Schedule a yearly conservation commission information meeting tentatively in August.

New items for 2010: Nan Kaplan had suggested that we develop a pamphlet/brochure of Andover Trails.

How to work with Realtors and conservation commissions regarding land conservation.

Concerns were raised about the DES proposed tree cutting at Bradley Lake.

Ongoing and Upcoming items: Table at town meeting – Pat will organize this item.

Pat will organize Clean-up Week in May

Sandra will work on Scenic Road Policy.

Tree planting – Mary Anne will talk with Susan Schnare.

Tina will update and polish the NRI.

Members agreed that the Conservation Commission should be involved in the Master Plan. There are two public meetings needed.

Members agreed to drop the energy commission for the time being.

Members agreed that we need to make sure the NRI maps are used in town planning.

Why people choose...
Peabody Home

Searching for the right care for the elderly can be like comparing apples and oranges. Why not pick the peach instead? Peabody Home is unlike any other elder care home you will visit. Why? Because we do everything we can to create the feeling and sense of home. We are a winner of the *2009 State of New Hampshire Quality of Life Award.* Our priority is providing care based on each individual... what they need, what they want.

Our residents have the freedom to stay right at Peabody Home and receive the level of care their health requires. For example, if they are an Assisted Living resident and they fall ill and need nursing care, they don't have to leave our loving home atmosphere or the caregivers they come to know and trust. We have nurses at work, on the premises, 24/7.

We provide
Nursing - Assisted Living - Independent Living
Adult Day Care - Respite (Short) Stays

Private Pay & LTC Insurance accepted. You will be surprised by our competitive room rates... we offer quality care that is affordable.

Please feel free to stop in for a cup of coffee and take a look around.

We are happy to sit and talk with you about concerns or questions you may have about elder care or if you feel uncertain about the options available to you. We are a not-for-profit association whose mission is to serve elders.
