Beacon Bits

Big changes this month at the *Beacon!* And only a small column to tell you about them.

You've already noticed the color, I hope. I'm writing this before the paper is printed, of course, so I've got all my fingers and toes crossed that our first venture into color comes out right. Let us know how you like it.

Another big project has been the two special advertising sections in the "centerfold" of this issue. Pull those four pages out and save them – they're your guide to good fun and good eating this month, courtesy of our *Beacon* advertisers.

Please make a special effort to support our advertisers, and be sure to take advantage of any coupons or special offers. Show them and tell them you appreciate their support of the *Beacon!*

Now check out our new *Index of Advertisers* on this page. I'm sure you'll find it very useful.

And finally, our new office is open – see page five. Visit … and volunteer!

Charlie

Next Month's *Beacon...*

...should be in mailboxes on Friday, August 1. Please get all ads, articles, etc. to us by **Tuesday, July 15,** at the latest. And ***earlier is always better!***
