## AE/MS Volunteer Of The Year

At the Andover Elementary/Middle School eighth grade graduation it has become a tradition to honor the AE/MS Volunteer of the Year. This is not an easy task, as the school is fortunate to have many dedicated volunteers.

This year Katherine Stearns was named Volunteer of the Year. Her name will be engraved on a plaque at the school. She received flowers and gifts.

Katherine has coached a Destination Imagination team for several years and has also been actively involved with the Andover One Wheelers. Katherine helps out at the school in countless ways. She currently is a Girl Scout leader and has been for several years. Katherine can be counted on to photograph many of the sporting events at the school and then share a slide show at the awards banquet for all to enjoy.

Lucille Ball summarized this Volunteer of the Year perfectly when she

Elizabeth Stearns, AE/MS '06, recognizes her mother, Katherine Stearns, as AE/MS Volunteer of the Year.

said, "If you want something done, ask a busy person to do it. The more things you do, the more you can do."

Thank you, Katherine Stearns! We really appreciate all you do for the children of Andover!

## AE/MS STAFF APPRECIATION

By the AE/MS Staff

As you drove by AE/MS in May, you may have noticed the colorful signs and banners decorating the front lawn as we celebrated Teacher Appreciation Week.

Thanks to all the volunteers and organizers who took the time to make others feel truly special. Your work was everywhere, from the decorations inside and out (the bulletin board filled with teacher-inspired student poetry is still on display) to the parents and students thanking teachers throughout the day to the capacious amounts of treats and home-baking that appeared daily in

the staff room. Many of us are certain we've gained a few delicious pounds.

The culmination of this week was a clever, hilarious, and very sweet assembly. During this gathering, each teacher was recognized, noting individual talents and personality traits, and awarded with medals and crabapple trees. The trees are now planted in lawns all over to provide a living reminder of how caring a community we are lucky enough to work in.

We all feel truly fortunate to be so supported, trusted, and appreciated. Thank you again! You've definitely earned an A+!

## SHARE Day A Big Success

By Gisela Darling  
SHARE Day Volunteer

SHARE Day has been a day full of fun and excitement at AE/MS since 1988. Regular classes are suspended for the day and students participate in workshops ranging from Basket Weaving to Dancing, Journal Making to Woodworking. This special day brings artists, craftspeople, and musicians

from Andover and surrounding communities into the classroom to share their wealth of talents and inspiration with the children.

Thank you to all workshop leaders and volunteers that made SHARE Day 2006 possible! *[The list is too long (over 100 names!) to publish here, but you'll find it in the online edition of this month's Beacon at AndoverBeacon.com.]*
