**LINDA McLAUGHLIN TATE**, of Andover, passed away on September 29, 2022. She was born in Laconia, and raised in Lakeport by John and Charlotte McLaughlin. Linda attended Keene Teachers College (1959-1963) where she met Michael F. Tate, her husband of fifty-nine years. Linda and Mike raised their three children in Londonderry.

A well-known regional antiques dealer, Linda's design sense can be seen in the two old New Hampshire cape-style houses she and Mike restored together, at 445

Mammoth Road in Londonderry, and on Calef Hill Road in Sanbornton. Linda's knowledge of antiques, restoration, and New Hampshire history was extensive. She was President of the New Hampshire Antiques Dealers Association for seven years, and her shop was part of the NHADA annual show in Manchester for many years; this community of artists and antiques dealers will miss her dearly.

Linda's family and friends will always remember entering her home through a garden of flourishing plants, blooming flowers, and closely monitored bird feeders. Those who stayed past dark may also remember her banging a few pans together to scare off a bird-feeder-admiring bear. Linda's friends and family no doubt also fondly recall bountiful feasts featuring her expert cooking and baking. Linda inspired a generation of chefs — both amateur and professional — who bring

together family with food.

Linda is survived by: her loving husband Mike; son Michael Tate; daughters Paula Tate-Moreau and Amy Tate; grandchildren Christopher Moreau, Mattison Howard, Taavi Tate Carbone, and Veda Tate Carbone; her sisters Colleen Phelps and Gina Hill; and many extended family members, dear friends, and colleagues.

A service to celebrate Linda's life was held at the Little Harbor Chapel, 335 Little Harbor Road, Portsmouth, New Hampshire, on Friday, October 14, 2022, at 11:30 AM. In lieu of flowers, please donate in Linda's name to New Hampshire Audubon Society, [nhaudubon.org/donate/make-a-donation/](http://nhaudubon.org/donate/make-a-donation/).

**CHARLOTTE ADELIN (CURRIER) CLARK**, after a long and full life, died peacefully at her home in Andover on Saturday, October 8, at the age of 98.

A lifelong resident of Andover, Charlotte was the second child, and only daughter, of Glenn and Etta (Dodge) Currier. Named for two grandmothers, Charlotte Wells Currier and Charlotte Adeline Bolton, she grew up in a busy household with her parents and three brothers in Andover Center.

Always active in the community, Charlotte was a member of the Andover Fire Department Auxiliary, Andover

Rescue Squad, and the American Legion Auxiliary. She was also a longtime member of the Blackwater Grange and the Andover Historical Society and was part of the Fourth of July Committee for many years.

While still in school, Charlotte worked at Kate's Majestic Diner (in what is now the Proctor Block building) and at the Village Store in Andover Center, where, as many know, she continued to work part-time for years and years.

After graduating from Andover High School in 1942, she, like so many young women at that time during World War II, worked on an assembly line making airplane motor parts at the Scott and Williams factory in Laconia, and later at Holmes and Nelson's clothing store in Franklin.

In 1950 she began working with the Andover School Hot Lunch program, where she remained employed for over 35 years. Also during that time, she worked at Camp Marlyn on Bradley Lake in Andover during the summers.

Charlotte and her husband Elmer were married in July of 1946. They moved into their home on Lawrence Street in 1951 where they raised their daughter, worked hard, and enjoyed a good life together that was full of family and friends.

Charlotte will be remembered for her boundless energy and work in the community and her willingness to be of help to anyone in need. She loved traveling, holidays (especially Halloween and Christmas), and, for over 20 years, was a dedicated and enthusiastic walker at the COA Seniors Walking program.

Charlotte had a deep love of nature and was happiest being outdoors — working in her yard, walking along trails and backroads, and knowing and loving all the wildflowers and animals she saw. But what she will always be remembered for the most was her love of family.

Charlotte was predeceased by her husband Elmer Clark in 1984, her father Glenn Currier, mother Etta Currier Haughton, brothers Lyman Currier, Clyde Currier, and Wallace Currier, brother-in-law Sam Clark, and sister-in-law Jane Currier.

She is survived by her daughter Luan Clark of Andover, sisters-in-law Shirley Currier of Andover and Carolyn Currier of Hampstead, and her many cherished nieces and nephews, along with several other dear friends and relatives.

A graveside memorial service will be held at the Proctor Cemetery on Main Street in Andover in the spring on Sunday, May 21, 2023, at 2 PM.

Memorial contributions in Charlotte's name may be made to the Andover EMS, PO Box 61, Andover NH 03216.

**MARJORIE CLARK**, 81, of Depot Street in Andover, died Saturday, October 15 at her home.

She was born in Danbury on April 26, 1941, the daughter of William and Ethel (Mason) Clark.

Marjorie graduated from Andover High School in 1959 and worked at Beede Electrical Instrument in Penacook for 36 years.

She was a faithful member of the Wilmot Congregation of Jehovah's Witnesses and enjoyed doing jigsaw puzzles.

Marjorie is predeceased by siblings Helene Ellerd, Florence Croteau, Benjamin Clark, and Robert Clark. She is survived by her sister, Bernice Nowell of Andover; a brother, Myron Clark of California; sister-in-law, Marjorie Clark of Belmont; nieces, nephews, and cousins.

A memorial service will be held at a later date at the Wilmot Congregation of Jehovah's Witnesses. To sign an online guestbook, please visit [ChadwickFuneralService.com](http://ChadwickFuneralService.com).

*"Hospice is about caring for the whole person—body, mind, and spirit—and about caring for their loved ones. It is about a person deciding how they want to live out their life.
