PERFECT ATTENDANCE RECORDS AT AE/MS

This school year, 11 students attended school every single day. The strong work ethic they have will certainly pay off in later years. Rain, sleet, snow, or illness did not keep these students at home.

Two of the students – sixth grader Ethan Barton and eighth grader Kassie Lamper – have racked up perfect attendance records for several years.

The younger students were given gift certificates to Pizza Chef as a reward for their efforts. The eighth grade students were each given a Fossil gift certificate where they can purchase a watch or clock to help them maintain their perfect record throughout their high school years.

AE/MS PTO Wins Volunteers Of The Year

By Holly Gagne
AE/MS Special Education Teacher

Kudos to the Andover PTO! They have been named as the Andover Elementary/Middle School's Volunteers of the Year.

This is an honor they justly deserve. Not only did they work to create many enriching opportunities for students, they also supported teachers through volunteering, supporting school events, and hosting an incredible Teacher Appreciation Week.

Wherever the need, they were there. From fundraisers to chaperoning, from making wreaths to LEGO Club; they participated. Their support made many field trips, assemblies, and special events such as SHARE Day possible. Plans are in the works for enhancing the school library.

To the public, PTO stands for "Parent/Teacher Organization," but to the students and staff at Andover Elementary/Middle School, it stands for "Pretty Terrific Organization"!
