

## Chadwick Funeral and Cremation Service

**Chadwick Funeral Service** has been a family owned and operated business for over 100 years. We are able to assist families with traditional burial, cremation and memorial services. We have many accessory items available including remembrance jewelry, urns, acknowledgement cards, wind chimes, flag display cases and cemetery standards, register books and pet urns.

Take a few moments and begin the process of preplanning. Give your children or grandchildren the best gift of all and take care of your final arrangements in advance. Contact us for a booklet that outlines the information that would be good to have on file. Charlie or Marion Hafner are able to meet with you at our location or in the comfort of your home.

## ANDOVER AFTER SCHOOL PROGRAM

By **Bonny Morris**  
**Andover After School Program**

The Andover After School Program (AASP) and the Andover Five Alive Program (AFAP) are still accepting applications for the 2008/2009 school year.

Have peace of mind in knowing your child is enjoying a calm, nurturing, and structured environment every afternoon at the Hamp House. Hours are 2:45 PM to 6 PM each day, and children are picked up at school. Daily tuition is \$12 (unchanged from last year). Full and part-time slots are available.

Our schedule is structured to allow for snack, outdoor play, homework, and

free activity time. Children can also participate in afternoon programs like sports, Girl Scouts, Legos, knitting, etc. and be picked up at school by our staff.

For families of kindergarten age children, our Five Alive Program offers nurturing care, an age-appropriate curriculum, rest, and meal times. Don't delay, as space is limited. Tuition is \$15 per day and \$25 if your child is enrolled in both programs.

Our staff are certified educators who have years of experience. Please contact Program Director Susan Nellen at 735-6566 for a registration packet and more information.

## Speedway Invites You To Be In The Safe Kids 500

Help celebrate Safe Kids Week 2008 by riding your bike around the New Hampshire Motor Speedway track in Loudon.

Safe Kids New Hampshire, Children's Hospital at Dartmouth (CHaD), and the New Hampshire Motor Speedway invite you to our fourth annual one-of-a-kind bike ride around the track in Loudon. Imagine...you will get to pedal your bike on the same track that NASCAR drivers race around!

All children *must* be accompanied by an adult caregiver, and all participants

(kids and adults) must wear a bike helmet. Bike safety checks and educational materials will be made available by the Bike-Walk Alliance of New Hampshire. Healthy snacks available.

The fun happens on Wednesday, June 18. Registration begins at 5 PM, with the ride beginning at 5:30.

There is no cost for this event, although donations to CHaD will be gratefully accepted. For more information and to let us know you are coming, contact Safe Kids New Hampshire at 877-783-0432 or IPC@dartmouth.edu.
