

# AHS '58 CELEBRATES 50TH IN STYLE

By Stuart Lenk  
Andover High School '58

The Andover High School (AHS) Class of 1958 celebrated its 50th reunion this year with an outdoor dinner at the home of Bob and Gay Rayno in Cilleyville. The event was catered by Denise Curtiss and included a delicious roast beef slow cooked over charcoal by one of our former junior marshalls, Murray Smith (AHS '59). Fellow classmate Dave Henderson provided a deep fried turkey which was enjoyed by all.

Attendance was outstanding with over three quarters of our surviving class members present. Many of us had not seen each other since graduation 50 years ago. There was a lot of catching up, and everyone seemed to thoroughly enjoy getting together again.

A class picture was taken with everyone in approximately the same positions as we were in for our senior yearbook

photo. Tim Frost presided over our class meeting, which provided a lot of entertainment for all of us as we talked about our lives. "Once a classmate, always a classmate" sure rings true.

Many thanks to my fellow committee members: Liz Thompson Kirby, Barb Rising Hayes, Tim Frost, and Bob Rayno; and to Bob and Gay for hosting the party; and to Dave and Murray for doing the outdoor cooking.

Liz was the driving force that made the reunion a success. Somehow she was able to track down former classmates from all over the country and kept us organized while she was on an extended road trip. Barb did a great job with contacting everyone and compiling a wonderful booklet of biographical information for each classmate.

Hopefully, most of us will be at the annual AHS reunion next year, which was a success again this year.

AHS Graduation Photos - One of the great parts of the annual Andover High reunion is the memorabilia that alumni bring to share. This year's included graduation photos of (top row, l-r) Lloyd Perreault, Tom Fraser, Richard Stetson, Roy Heden; (middle row) Nellie Phelps, Keith Fleury, Fred Putney; (bottom row) Leon Neff, Donald Wilcox, Velma Stevens.
