SEASONAL ALLERGY SUFFERER?

Seasonal allergies can be a real nightmare for those who suffer from them, especially when their eyes are involved. The most common symptoms include itching and watering, and the eyes and eyelids are often red and swollen. Those who experience this discomfort often dread the coming of spring.

If you have a history of seasonal allergies and are interested in reducing or possibly eliminating their symptoms, then give us a call before the itching starts. Minimal life style changes and prescribed eye drops can make all the difference.

Richard L. Talkington, OD

Let us provide all of your routine eye care needs!

East Andover Village Preschool

I'm sitting writing this article wondering if anyone else is thinking of September? It is mid-July and the sun is shining bright, it's a warm 88 degrees, and the sound of children enjoying the pool is right outside my window. But a quick look through the local store flyers reminds us all that school days are right around the corner.

Despite the warm summer days, the preschool is never far from my mind. I have been busy making new flannel board stories, planning some exciting science adventures, and exploring some new circle time ideas. I have found some new books and created a few new puppets. It's going to be a great year!

We will welcome 14 families to our Preschool I classroom on Tuesdays and Thursdays. We will be bunny hopping, apple creating, and learning all about our new friends during the month of September. Ms. Becky and I are looking forward to meeting our new friends and learning about each other.

Preschool II will welcome back children who attended our program last year

as well as a few new faces.

We will be talking more about letters and numbers, creating our own classroom story, and welcoming our cooking friend, Chef Combo, to our classroom. We are excited to expand our learning through a newly designed Wood Working Area.

For those of you entering Preschool in September, here are a few important dates to mark on your calendar:

Parent Night is Thursday, August 28, at 6:30 PM. This is a *mandatory* meeting for all new EAVP families. Advisory Board members will be available to answer any questions you may have, and a short presentation will be held at 6:45 PM. .

Our "Welcome to Preschool" event will be held on Tuesday, September 2, from 9 to 11 AM. Children and their families can visit our classroom and meet the staff, find their cubby hooks, and explore the school. Light refreshments will be served.

As always, should you have any questions, please don't hesitate to call 735-5401 through the summer or e-mail EAVP@tds.net. We are looking forward to an exciting year ahead!

AASP RAISES MONEY WITH RAFFLE

By Bonny Morris
Andover After School Program

We are happy to report that the Fourth of July Fundraiser for the The Andover After School and Andover Five Alive Programs raised a total of \$142. The winner was Maura Gorman of New London. Her husband Paul picked up the beautiful quilt immediately and reported they also won another prize that day. How lucky!

A huge thanks to Beth Chamberlin for donating the quilt top, Sharon Darling for finishing the quilt, and to Susan Nellen, Barbara Hawks, and Sabine Stiles for selling tickets on the Fourth. Thanks, too, to everyone who bought tickets and supported this scholarship initiative!

We look forward to welcoming back returning children and their families and meeting new faces on the first day of school: Tuesday, August 26!
