## Andover One Wheelers

By Lisa Hanscom  
**Andover One Wheelers**

Fresh off two fabulous fall parade appearances in Massachusetts, the Andover One Wheeler's Traveling Team members are gearing up for the holidays with two activities on Saturday, November 15.

Bring your Santa hat and jingle bells and travel to Concord where the team will make its annual appearance in the Concord Christmas Parade at 9:30 AM. This parade is always well attended, and it is great fun to have friends and family on the sidelines cheering the team on as they help welcome Santa Claus to Concord.

After a busy day of pre-holiday shopping, enjoy a relaxing dinner prepared for you by the One Wheeler Boosters

group and served by team members. The dinner will be held Saturday, November 15, from 5:30 to 7:30 at the AE/MS gym. Join us for sausage and kale soup, tossed green salad with candied pecans, gorgonzola and pears, sliced beef tenderloin with creamy horseradish sauce (on the side), au gratin potatoes, maple roasted butternut squash, assorted finger desserts, coffee, apple cider, and milk.

Tickets in advance: \$20 for adults, \$12 for children 12 and under, kids five and under are free. Tickets at door: \$25 for adults, \$15 for children 12 and under, kids five and under are free. Reservations are recommended.

Please contact Laura Powers at 735-5361 or Michelle Keezer at 735-4021 to reserve your tickets.

## New Treats Cookin' At AE/MS

By Joanne Young  
**AE/MS Food Service Director**

New this year at the AE/MS kitchen:

We are offering grab-and-go breakfast in the morning so that students don't miss any class time. The breakfast menu changes daily. One of the favorites is our baked muffins loaded with blueberries. We are also having fun with breakfast smoothies which range from banana/strawberry to mixed fruit with yogurt and honey. Yummy.

Among the other choices are breakfast burritos with fresh eggs, ham or bacon, and cheese. We have also offered fruit burritos; and while fruit is in season, there is nothing like it. There is a menu board in the cafeteria which states the daily entree as well as the fol-

lowing day's breakfast.

We do our best to offer healthy and versatile lunches, and of course we try to make it as fun as possible. This month we are offering Lunch Ladies' Lo Mein, Egg Roll, and Fortune Cookies. Our Halloween menu is sure to scare up many hungry goblins with our Ghoulash, Goulash, Green Monster Green Beans, Perilous Pears, and Boo Brownies.

Our salad bar continues to be a success as we strive to offer many healthy fresh fruits and vegetables. We recently conducted a salad bar survey to gather information as to the likes and dislikes of our salad items and to enhance the overall enjoyment of the experience. So we look forward to continued change and growth in this area.

sons and ideas with each other. Some work part-time jobs, juggle families, and still manage to arrive energized and ready to work with the children of our community.

The teachers can and do have a huge positive impact on our children. For these reasons and countless others it is the teachers in our classrooms who are the true champions and for whom I am thankful.

Although I feel very fortunate, I don't

think my school community is unique in having "education heroes" who rise to the challenge on a regular and frequent basis. I believe schools all over the state and country are filled with everyday heroes who provide the support and structure within our school families.

Although, I do believe, however, the Andover community may just have more everyday heroes than anywhere else in the world, and I am thankful to be part of such a caring, supportive, and generous school community.

## Recycle Your Printer, Copier, & Fax Cartridges At AE/MS

Parent volunteers package them and we sell them to raise money to help send our students to a week-long environmental camp.
