

The Andover Snowmobile Club has been busy this winter, and not just on the trails.

On January 31, the club held its annual Italian Buffet at AE/MS. Besides the delicious food, the evening also included a Chinese auction to benefit Easter Seals. At left, Ellie George ponders the possibilities.

At the Highland Lake SnoFest on Valentine's Day (right), Dave Gallent from Brentwood gets started on a ride on his 1964 Bombardier while Mike Henderson of Franklin, the club treasurer, looks on.

Don't miss the next Friends of the Northern Rail Trail event: our fundraising dinner scheduled for one night only, on Thursday, April 16, at Rockwell's at the New London Inn.

Rockwell's at the Inn will offer the items on its regular menus, which are varied and outstanding, in both dining rooms. There is no set time or set menu – you decide when you want to have dinner and with whom. Just make

Thanks to restaurant owner Chef Jerrod Rockwell, half of the night's proceeds will benefit the Rail Trail. Please make reservations before they are filled by calling the Inn at 526-2791. ## 2009 Hunting And Fishing Licenses Available From NHF&G

New Hampshire fishing and hunting licenses for 2009 are here. Get yours today and be ready to enjoy a full year of outdoor adventure, from winter ice fishing to hunting next fall. Licenses are good for the calendar year, from January 1 through December 31, 2009, so the sooner you get yours, the more days of outdoor recreation you'll be able to enjoy. Licenses can be purchased online at WildNH.com or from Fish and Game license agents statewide.

Your hunting or fishing license – or, best of all, your "combo" license – is your year-round ticket to the Granite State's great outdoors. For New Hampshire residents, an annual fishing license costs \$35; a basic hunting license is \$24.50; and a combination (hunting

and fishing) license is \$48.50.

Non-residents can buy an annual fishing license for \$53; a hunting license for \$105.50; or a combination license for \$143.50.

Residents can buy a one-day fishing license for just \$10. Non-residents have the option of buying one-, three- or seven-day fishing licenses.

For hunters and anglers concerned about maintaining access to pursue their sports, the \$10 Wildlife Legacy donation (a check-off on the multiform license) provides an opportunity to support the Landowner Relations Program.

Fishing and hunting license fees directly support wildlife and fisheries management and education. For online license sales and a list of local license agents, visit WildNH.com.
