Infinity® from MARVIN

Fiberglass Replacement Windows

Vinyl

Ultrex

Ultrex fiberglass is eight times stronger than vinyl, has superior thermal performance, is low maintenance, and resists warping and fading in extreme weather conditions. It all adds up to durable, reliable operation for years to come.

Protects against heat, cold and high energy bills.

With today's energy prices, you need replacement windows that stand up to the elements. Infinity windows and doors from Marvin are built with Ultrex®, the patented fiberglass technology that has lower thermal expansion rate than vinyl or aluminum. So your home stays, snug, energy-efficient and looking beautiful.

*We offer full-service,
professional window installation.*

Visit our showroom today and ask to speak to our Marvin Millwork Specialists about all your window and door projects.

Profile: Lisa Scarry

By Hannah Carlson

Proctor Academy Journalism Class

Lisa Scarry has lived in Andover for the last 30 years, and from the moment she laid eyes on Proctor Academy she knew that was exactly where she wanted her children to go to school, so she decided to do whatever it took to make her dream come true. She was given a job as a nurse in the Proctor Health Center and has now been there for the past 21 years.

Lisa says her favorite part about Proctor is the students, because they keep her up-

beat and energetic. Lisa loves each and every student as if they were her own and gives them the care they need as if they were at home with their parents. If she could change one thing about Proctor, Lisa said, "I love the school and students so much I would make the school

run all year long."

Since Lisa has lived in Andover, she has seen the town view Proctor as a positive place, and Lisa is thankful to Andover for the wonderful opportunities it offers Proctor. She also said that even if your children don't attend Proctor, it offers the townspeople many job opportunities and a community to become part of.

Among the many writing assignments Peter Southworth gave his journalism class at Proctor Academy last year was to write on a topic that would be of interest to readers of *The Andover Beacon*. This profile of an Andover resident came out of that assignment.

Lisa says the best part of raising her family in Andover was the community. She loves knowing everyone around her and felt her family would always be

safe, and she wouldn't have to worry about them as much. She loved knowing the majority of people in a small town. Lisa says, "Andover is such a beautiful and safe place to raise a family, I couldn't imagine doing it anywhere else."

Wilmot Ladies Aid Society

By Lindy Heim

Wilmot Ladies Aid Society

The Wilmot Ladies Aid Society will be serving dinner on Saturday, August 8, at the Wilmot Bandstand in Wilmot Flat from 6 to 8 PM while one of New England's favorite performers, Sferes and White, entertains the crowd with their mellow folk tunes.

Known for their home cooking, the Wilmot ladies will provide dinners of chili, steamed hot dogs or chili dogs, potato salad, slaw, and home baked desserts. Chips, pretzels, and lemonade will also be on hand.

The performance and dinner will both move to the Wilmot Town Hall in

Wilmot Center at Route 4 and North Wilmot Road in case of rain.

Don't miss this fun night! For more information, call Lindy at 526-6376.

Awards Deadline Approaches

Monday, August 10, is the deadline for applications for the Wilmot Ladies Aid Society Merit Awards Program.

The monetary awards are given annually to honor selected students from Wilmot who are in or about to enter college. Criteria for selection are exceptional character, scholastic achievement, and community involvement. Prizes will be awarded in November.

For an application, contact Brenda Snyder at 526-7722 or BSnyder@tds.net.

SCHOLARSHIP: Corinne Cline

Corinne Cline was recently awarded a \$1,500 scholarship by the New Hampshire Electric Cooperative's Dollars for Scholars Awards Committee. Corinne was chosen based upon her work experience, activities and leadership contributions, educational/career objectives, and overall scholastic achievement.

Corinne, a 2008 graduate of Proc-

tor Academy, attends Hiram College in Ohio and is majoring in History. She earned Dean's List honors for both semesters and was inducted into the Alpha Society for Academic Excellence on April 27.

She plans to use the scholarship to partially fund her study abroad in Japan next spring.
