

Franklin Animal Shelter Presents: Buddy

Buddy is a domestic, short-haired male cat. He is neutered and litter box trained, and he is up-to-date on all his shots.

Buddy is a laid-back fellow and not very demanding. He is independent and

generally content to just hang out and relax. He does enjoy playing with his toys from time to time.

It's hard to believe this guy is still here – he is just such a wonderful cat! Buddy should be okay with other pets. His easy-going nature would make him a great addition to almost any family. Come visit him at the shelter and see what a great cat this guy is!

If you'd like more information about Buddy, or any of the animals at the shelter, please contact us at 934-4132 or FranklinAnimalShelter.com.

Fred Marple Show Raises Scholarship Money

Service Club event gets local folks up on stage

Press release

On April 20, the Andover Service Club (ASC) presented a production of *Fred Marple of Frost Heaves, New Hampshire* at AE/MS. This was a benefit for the ASC Scholarship Fund. Fred, played by humorist Ken Sheldon, performed skits with volunteers Lorraine Roberts, Mary Demers, Evelyn Davis, Joyce Egge, Marcus Johnson, Robert Ofenloch, and ASC President Mary Ofenloch.

With a number of short monologues on the history and residents of "Frost Heaves," he interspersed his original songs, such as *Chicken in the Bathroom* and his demonstration of *Yoga for Yankees*. The volunteer actors performed Fred's "commercials" for *Kitty-Kat Personal Heaters*, *Yankee GPS*, *Mom-Care*, and *Elmer Sings Simon and Garfunkel*. Three door prizes of Ken Sheldon's CDs and DVDs were awarded. He closed the show with a sing-a-long of *God Bless America* in response to the tragedy at the Boston Marathon.

Everyone had a great time.
