Andover Service Club: June 2013 News

Spring luncheon at Alan's Restaurant

By Joyce Egge, Andover Service Club

The Andover Service Club held their spring luncheon at Alan's Restaurant in Boscawen on June 12. After a warm welcome from our president, Mary Ofenloch, Kitty Kidder gave opening words on how things change as we "mature." A delicious meal followed, with lively discussions. We had a small business meeting while waiting for dessert and it was noted an error was made in last month's article - The Sunapee Singers were the entertainment enjoyed by all at Guest Night in April.

We are still in need of a president-elect but did vote on the current slate of officers. Mary Ofenloch will remain as President, First VP is Diane Rice, Second VP is Joyce Egge, Secretary

is Eileen Mackey, Corresponding Secretary is Jeanne Tate, Treasurer is Lois Magenau, Assistant Treasurer is Dottie Chagnon, and Immediate Past President is Robin Boynton. Our annual budget was also approved.

We hosted a trunk sale at Woodcrest in New London on May 31. The residents seem to enjoy shopping in their own home. Our thrift shop will be going to summer hours next month which means that it will be closed on Saturdays. Most folks want to be outside in the (hopefully) nice weather.

We will be selling slices for scholarships again this year at the Fourth of July festivities. Please stop by and support this worthy endeavor, there will be many delicious homemade pies. Our meetings will begin again in September. Have a great summer!

Andover Service Club Awards Six Scholarships

Diane Rice, Chairperson
ASC Scholarship Committee

The Andover Service Club has just completed its Scholarship Program for the 2013-2014 academic year. We are delighted to announce that a total of \$7,500 was given to six very deserving students.

To be considered for a scholarship, the applicants must have a close, personal tie to the town of Andover. The awards are made on the basis of academic performance, character attributes, and community involvement.

The Andover Service Club would like to thank all those who submitted applications. Each application reflected many fine attributes and diverse interests.

I would like to thank personally all the Andover Service Club members for their help in raising funds to allow this program to continue. I know, too, that we thank all community members who support our Club's projects. This is what makes our scholarship program

possible!

The Andover Service Club wishes all who participated in our program success and happiness in their future endeavors.

2013-2014 Andover Service Club Scholarship Recipients

Mariah Lansdown graduated in June from Merrimack Valley High School and will be attending Gordon College in the fall.

Karen Niemyer is continuing her education at Granite State College.

Kristi Perrault graduated from Merrimack Valley High School in June and will be attending Roger Williams University in the fall.

Haley Peters is continuing her education at Marlboro College in Vermont.

Madison Powers graduated from Proctor Academy in June and will be attending Colgate University in the fall.

Michaela Trefethen will be entering her sophomore year at Barton College in the fall.

New Hampshire Circle of Home and Family: June 2013

By Judy Perreault, NHCHF

A beautiful setting in Salisbury was the site of our June meeting. A wall of windows looked out on a garden and bird feeder where a Baltimore Oriole was busy getting his lunch. We also were feeding on an assortment of fancy sandwiches. The ladies are very inventive with their fillings and different types of bread. Dessert is the part we always look forward to. Ice cream sundaes with all the fixings works for me every time.

Our leader decided we should exercise some part of our bodies so she chose our brains. In keeping with the season of gardening, lately in the rain, she challenged us with a couple of tests about plants and herbs. The first was ten multiple choice questions about plants. I did pretty good on that one considering I guessed at most of the answers. The second was on herbs. I was ok with the garlic, basil, parsley and oregano but when it came to Lovage, Borage, Ber-

ganot and Woodruff, I was lost. They sounded like last names to me. See if you can answer these:

To add a cucumber flavor to a dish, use this herb, which has attractive edible flowers: A. Lovage, B. Calendula, C. Angelica, D. Borage.

To add a celery flavor to a dish use this herb: A. Lovage, B. Chervil, C. Angelica, D. Borage

The answers are on the *Beacon's* Web site at TinyURL.com/nhchf-answers, or you can wait until the August issue of the *Beacon*.

The tests provoked a lot of discussion and some of us realized we had to read up on plants and herbs.

We had planned a trip to Tarbin Gardens in June, but both dates were rained out.

We are taking the summer off and will resume regular meetings in September when our topic will be "Number, Please."

Have a good summer and, for those who have gardens, a bountiful harvest.
