

Around the World with the Beacon

Gregory Hewitt pauses with *The Andover Beacon* as he crests the summit of Grand Teton Mountain at an elevation of 13,775 feet in northwestern Wyoming. Greg is a senior attending Westminster College in Salt Lake City, Utah.

The Armstrong kids - Scout, Helen, and Patch - are pictured here in Northern California reading the Beacon while checking on the family redwood grove. Photo and caption: Kent Armstrong

PARENTS: HOW ARE THE KIDS?

Parents, please help the *Beacon* keep alive the connection between your grown kids and the community they grew up in! Send news of how they're doing in college, in their careers, engagements, marriages, babies, promotions, etc. Everyone in town takes great pride in seeing how "our" kids turn out - please help us keep them up to date. Send news and pictures to Articles@AndoverBeacon.com.

ANDOVER FOOD PANTRY

Food and Necessities for People in Need

sponsored by
The Andover Lions • The Andover Beacon

We need your donations of non-perishable, staple foods and other necessities. (Please check those expiration dates!)

The food pantry is located downstairs at the Andover Town Hall and is open whenever the Town Hall is open.

It's self-service, no questions asked. Take what you need or drop off what you can.

If you know someone in need, tell them about the pantry. If they are not comfortable going to the pantry themselves, for whatever reason, let a Lion or Beacon volunteer know - **WE DELIVER!**

The New Guys in Town: Scheduled to open for business around the first of October, MSD Motorsports will offer full car and truck maintenance and repair services, in addition to specialty work on off-road, classic, and antique vehicles, from its Main Street location across the street from Pizza Chef in Andover village.

Co-owned by brothers Sean and Michael Poulin; Denis Fournier; and Steve Opett, the new Andover business has operated as Ken's Offroad on Route 4A in Wilnot for the past five years.

The MSD team is leasing the 1940s-era structure that long served as the Currier and Phelps service station, while making extensive renovations and upgrades, as seen in this photo, which includes three of the new owners: (from left) Steve Opett of Concord, Michael Poulin of Franklin, and Denis Fournier of Goffstown. A grand opening is planned for the spring of 2014.
