## Andover Recreation Soccer Begins Wrapping Up Its Season

Jamboree in New London on October 13

By Nicole Donovan  
Director, Andover Soccer

The Andover Recreation Soccer season is beginning to wrap up, with only three weeks left on the schedule.

The first and second graders have been learning basic skills and scrimmaging amongst themselves on Saturday mornings, while the third and fourth grade boys and girls have played games against teams from surrounding towns such as Warner, Hillsboro, Weare, and Hopkinton. The 3/4 level will also have the opportunity to play, once again, at the New London Outing Club's Bob Andrews Soccer Jamboree on Sunday, October 13.

The fifth and sixth graders have been working hard, practicing one to two times a week and competing in games twice a week. Their season will wrap up on Saturday, October 19, when they

play at the next level. Middle school soccer coach Amy Makechnie was pleased with the event and loves the excitement her athletes exhibit for this annual event. "The kids not only learn something, but they feel special to be invited. We want to thank Proctor Academy for reaching out to us; it has a tremendous impact."

"It was a fun afternoon. I learned a lot. It was nice of the Proctor students to give up their time for us," said seventh grader Matt Bent.

"The clinic at Proctor was a great learning experience for the Andover soccer team. It was lots of fun and showed students the level of high school soccer. I would do it again any day!" stated seventh grader Lexi Emeny.

Seventh grader Devon Barton says, "The soccer clinic was awesome! I like how they taught us more about defense, because that is my favorite position."

The Andover Middle School soccer team would also like to thank the Proctor soccer teams for sharing their experiences with them.
