

Anne Hewitt and Lee Wells show two of the delicious pies that the Andover Service Club (ASC) sold on November 25 and 26 at the Circle K in Cilleyville. The 9" homemade pies sold for \$9 each, with the proceeds going to support the ASC Scholarship Fund. Note, too, the huge gift basket on the right – raffle tickets were \$1 each and helped support ASC's many charitable works in our community. Photo: Charlie Darling

Doreen Perreault noticed our plea in the November *Beacon* for news of Andover graduates and sent some great photos. She writes, "My daughter Kristi [pictured] is a graduate of AE/MS and was MVHS Salutatorian for the Class of 2013. Now she is attending Roger Williams University and is a junior this year majoring in Computer Engineering. As part of the honors program, she is studying this fall/winter semester at the University of Limerick in Limerick, Ireland. She has travelled extensively, including Barcelona, Killarny, Dublin, Cork, Blarney, the Aran Islands, the Cliffs of Moher, Belgium, Galway, Rome, London, and Paris."

PARENTS: HOW ARE THE KIDS?

Parents, please help the *Beacon* keep alive the connection between your grown kids and the community they grew up in!

Send news of how they're doing in college, in their careers, engagements, marriages, babies, promotions, etc. Everyone in town takes great pride in seeing how "our" kids turn out – please help us keep them up to date.

Think Local First

For every dollar spent with a local business, 45 cents is reinvested in our community to create jobs, support charities, and increase our region's sustainability compared to only 14 cents for each dollar spent at non-local businesses.

Shopping and banking where you see a Local First Alliance logo means you are choosing a business that is dedicated to keeping your money hard at work in our community. Trusted businesses and service providers buying from one another and over again weaves the fabric of a strong local economy.
