Minutes from page 11

Teach completed the site visit on May 15. Prior to members touring the site, Derek toured the area with Road Agent John Thompson, who reviewed what had been done, what corrective actions had already been taken, and what actions would be taken in the future. Members will conduct a second site visit when the work has been completed.

nization seems like a great answer to a perennial problem and was embraced by the Recreation Committee.

Swimming

We have lost our swimming instructor. Andover families will need to consider other towns, such as the Pleasant Lake program.

Cycling

Drew Donaldson and Josh Norris are planning a table on the Village Green on the Fourth of July to try to generate interest in grades three and up. The \$35 membership (\$30 for siblings) will yield a cool t-shirt, already designed, and five group rides meeting on Wednesdays from 5 to 6:30 PM.

Bikes must be able to change gears, and helmets are required.

The first group ride will be dedicated to bike safety and handling skills.

As usual, all parents involved in helping with mountain biking would need to get background checks.

Andover Recreational Track

We had our first practice on Wednesday. So far, there are 10 kids.

We'll meet Monday, Wednesday, and optional Saturdays at Merrimack Valley.

Recreation Department Waiver

A new standardized waiver is being created by Sue Norris and Jen Hauser.

Blackwater Building

The exterior of the building is now painted. The sink is ready to go in and be connected.

The next meeting will be at AE/MS on Tuesday, August 23, at 7 PM. No meeting in July. 

Recreation Committee

Condensed from approved minutes

Committee Members present: Tom Frantz, Alan Hanscom, Sue Norris, Tim Norris, Heidi Murphy, and Drew Donaldson

Soccer

Fees are \$30 before July 1 and \$35 afterwards.

Only 24 kids signed up so far, but numbers are growing rapidly.

There is still interest in kindergarten soccer.

Recreation Committee suggestion is to have kindergarten through second grade soccer for the few kindergarten kids interested.

July 5 will be the first pick-up soccer game.

As always, the field needs to be re-lined every five days.

Mark Chagnon of New Hampshire Soccer Association Referees will provide all refs for a fee of \$200, plus the fee paid to individual refs. This orga-
