

## East Andover Village Preschool, July 2016

Amy Rheume, EAVP

We hope you all got a glimpse of our award-winning float in the Andover Fourth of July parade that we entitled "There's a Hero in Me." We had a great time creating it and riding on it. The best part was being together again after being on summer break for a couple of weeks.

While the school seems quiet this time of year, there is a lot going on. The teachers are busy reorganizing and planning for the coming school

year, as well as maintaining our playground garden which has really popped over the past few weeks. Our Advisory Board meets again on Monday, August 8, at 6 PM; all current and incoming parents are welcome to join us!

We are excited to begin the 2016-2017 school year on Monday, August 29. We do have a few spaces available for new friends who would like to join the program. Please call us at 735-5105, or e-mail us at EAVP@tds.net for more information.

## Wilmot to Hold September 11 Memorial Program

Plaque to be installed in memory of Thelma Cuccinello

Press release

The Town of Wilmot is planning a memorial program and tree dedication for the 15-year anniversary of the September 11, 2001 terrorist attacks that sent hundreds of airline passengers to their deaths and rocked the core of American airline security.

One of the passengers, Thelma Cuccinello of Wilmot, was aboard American Airlines Flight 11, the first plane to crash into the World Trade Center. She and all who lost their lives were honored with a proclamation at a memorial ceremony on September 11, 2002 that ends: "Resolved, that this proclamation be publicized for all to see and know that the citizens of Wilmot remember with eternal respect those whose lives were suddenly, without cause, and pointlessly taken from them on September 11, 2001."

At the September 11, 2002 memorial ceremony, the new bandstand on the Wilmot Town Green was dedicated

to all who lost their lives on September 11. Funds for the construction of the bandstand were raised by Wilmot citizens through bake sales, car washes, and other fundraisers, including starting a farmers market. The market, now known as the Wilmot Farmers Market, was formalized as a non-profit in 2005 and is still in operation from the end of June through September each year.

A plaque honoring Thelma's sacrifice will be installed on September 11, 2016 at the base of the maple tree planted in the Wilmot Town Green at the memorial service on September 11, 2002. The tree is one of many purchased by the United States Postal Service for several New Hampshire towns that lost citizens in the disaster.

The 911 Committee is raising funds to pay for the plaque. Their goal is \$900.

Donations for the plaque, in any amount, are gratefully welcomed. Please send your check to the Bandstand Committee, PO Box 72, Wilmot NH 03287, or stop by the Wilmot Town Office at 9 Kearsarge Valley Road Tuesday through Thursday. 

Marilyn Gould, formerly of Andover, enjoyed an outing with fellow Peabody Home residents Dorothy Benham, Agnes Marshall, and Barbara Thomeczek. The group visited Dorothy's son's sawmill in Franklin.

### Personalization

There are so many ways to make a tribute to a loved one personal. We have lovely memorial folders and prayer cards which may be tailored to meet your needs. We can use a picture, poem, or scripture with special meaning, play a DVD of photos at calling hours, or distribute at the service a memento which had some meaning to the deceased. We can custom-tailor music, including vocal soloists or instruments, and the ride to the cemetery can include special vehicles.

There are so many ways to personalize a loving tribute to a life lived. We would be honored to help you create a meaningful and special time together. Call Marion, Charlie or Dan at 526-6442 to discuss the possibilities.
