Chadwick Funeral and Cremation Service

A Perfect Spot

Would you like to gather to remember Grammie Louise? Perhaps church just isn't quite the right location. Maybe a hall has some drawbacks. Give serious consideration to our funeral homes. They are made for gatherings and have wonderful qualities such as easily accessible restrooms, plenty of chairs, music, dvd or slideshow capabilities, room for coats, ample room to visit and sound systems. The parking is good and both locations have handicapped accessible entrances. We would be glad to show you the layout of either or both funeral homes. Please consider our buildings for calling hours and/or a celebration of some type. People may come and visit or share stories and you won't have to worry about cleaning up or having folks in and out of your home. Give us a call at 526-6442 or 863-2113 and we will discuss the possibilities with you.
