If you have stuff that's "too good to throw away," let *Andover's Yankee Trader* (AYT) help you find it a new home. AYT is for individuals or businesses to give away (or sell) stuff they no longer need (not stuff they bought to re-sell). Up to 30 words is free for Andover residents and *Beacon* subscribers; \$5 for others. Add a photo for \$5. If you'd like to show your appreciation when AYT works for you, an extra (tax deductible) donation would be appreciated!

To be included in next month's AYT, get your 30 words and optional photo to the *Beacon* by the 15th. Ads@AndoverBeacon.com • PO Box 149, Andover 03216 • 735-6099

## Candidates from page 10

Andover at or above the requirements of the State, Town and our residents.

My desire is to keep our progress on the right track through a consistent and budget sensitive approach to Andover's needs. The demands on my department have grown and our strengthening reputation for getting the job done has filtered to other town departments. Further, we have enjoyed a strong approval from town residents, which is a source of great personal pride and one I wish to continue to earn going forward.

Additionally, the many issues beyond our control such as adverse weather conditions were successfully planned for and our pro-active approach reduced negative effects for our residents.

I truly enjoy serving my community and wish to continue as your Road Agent.

### Budget Committee vote for two–three year term

#### Nancy Teach

I seek re-election to the Budget Committee.

The Budget Committee has the task of reviewing and recommending budgets for voters at the annual Town and School District meetings as well as the budgets for the fire and water precincts. I want to continue to serve Andover in ways that provide fiscally responsible decisions.

My volunteer experiences in town have taught me that the Town of Andover depends on the talents, wisdom and a variety of opinions of its residents.

#### Arch Weathers

I am seeking re-election to the Budget Committee.

My roots to this area trace back to the arrival by my grandparents in 1924 to spend summers on Lake Sunapee. At the age of 14, I started working summers at Kidder Garage in New London. When I graduated from college, Bill Kidder hired me full-time as a mechanic. It was there that I developed life skills and knowledge in areas one would never find in a college course.

I formed a connection to traditions that cherish and build upon the "New England intimacy" found nowhere else in the world. This feeling, in turn, nurtures a strong sense of place the, for me, forms the basis for investing in the quality of ones community.

As the current chair of the Budget Committee, I recognize that only through a process of coordinating the gathering and dissemination of departmental requests, soliciting meaningful public input, and designing a concise, understandable reporting format can a desired outcome be achieved. I also recognize that, in most cases, doing the math is not enough. There is no single solution,

no simple decision regarding the complexities of managing our infrastructure. Conversations and incremental action addressing issues that determine the long-term financial health of our community must occur on a regular basis.

I am proud to work with an incredible group of dedicated volunteers having a common goal of seeking what is in the best interest of our town. I look forward to continuing this very worthy effort.

### Town Treasurer vote for one–two year term

#### Shirley Currier

I am running for my sixth term as Town Treasurer as well as my twelfth term as Andover School Treasurer. Graduating from Hesser Business College, I did the accounting for the Andover Village Store and Currier and Phelps Inc. for 30+ years. I was the treasurer for 40+ years for the Andover 4th of July Committee, and treasurer of the Andover Historical Society for a number of years. I enjoy this work, and would appreciate your vote on March 13th 2018..

### Trustee of Trust Funds vote for 1–three year term

#### Michael Mori

Did not wish to submit a statement

### Moderator

vote for one–two year term

#### Merit Jonathon Mishcon

I moved to New Hampshire in 1979 from school and have lived and worked here since. I consider myself to be an independent moderate. My goal, as moderator, would be to be a neutral voice that provides a data oriented approach to governance.

My wife's name is Vicky. My children, Hillary & Sam, grew up in Andover, went to school here and have moved to Maryland and Maine. My dog's name is Watson. You will often see me hustling after a slightly overweight yellow lab as we walk about.

I enjoy reading, history and working with computers. Thank you

### Library Trustee

vote for two–three year term

#### Mark Cowdrey

I am a nineteen-year resident of Andover, a lifelong reader and a library patron. As a Library Trustee I look forward to supporting the educational and entertainment roles of the libraries in town. I hope to help keep them vibrant in our community by supporting continuity and innovation, each where and when appropriate.

#### Caroline Moulton Ratzki

It has been an honor and a privilege to have served as a Library Trustee these past 3 years.

Our two Andover Libraries have been busy! We have hosted Summer Programs, Lego Events, Fairy Houses, Story Time, Author Talks for kids and adults, and Book Clubs too.

I am running for a second term and thank you for your vote.
