Fun with Fairies and Gnomes in Wilmot

Press release

Timmy Patten Park was a major construction zone last week when a crew of more than 50 kids came out

to build houses for their favorite fairies and gnomes. The fun began around 5:30 PM on Thursday, July 12. Mary Kulacz of Wilmot put together and ran the program along with Wilmot librarian, Michelle Travis. Both were delighted with the enthusiastic turnout. Mary said, "The weather was perfect and it was great fun. The children were very creative." Michelle agreed, adding, "We all had a wonderful time. Thank you to all the families that joined in."

The event was co-sponsored by the Wilmot Community Association (WCA) and the Wilmot Public Library (WPL). It was free to one and all. Construction materials were provided. Many families stayed to enjoy the playground, picnic and swim in Tannery Pond.

For more information on the many programs and events sponsored by the WCA and WPL, visit their websites at www.WilmotWCA.org and www.wilmotlibrary.org.

Harper Wilson of Sutton was delighted to have a campfire to light the way to her fairy house. The campfire was a gift from one of the children at A.R.T.S. (Adaptive art, Respite, and Therapeutic Services), a camp for children with special needs.
